

What Category?

With a bewildering number of race categories, cross country racing can be a confusing place at registration. Couple that with pre-race nerves, the inevitable desperate need to wee and a major part of your brain processing the ‘did I pack my....?’ question, it’s no wonder we often see riders in waterproofs and camelbaks lining up with the elite.

To help this situation, here’s the lowdown on which category you should enter.
